

Consent for Medical Treatment of a Minor

TEEX Form SES-41

Texas law requires parent/legal guardian consent for medical treatment of minors (under the age of 18). TEEX must have this form completed by a parent/legal guardian prior to the course for which the minor is enrolled.

Please upload this completed form to the TEEX Student Portal for the course in which you have registered or email the form to the contact listed on the course description.

As the parent/legal guardian of the participant listed above, I give my consent for medical and/or surgical treatment of this minor by a licensed health care professional should the need arise while he/she is attending a TEEX course. I am aware that the practice of medicine is not an exact science and that no guarantees can be made concerning the results of treatment. I grant permission for treatment provided according to generally accepted standards of medical practice.
